

Hydrovac Operator/Truck Driver

Job details

Coast Hydro Excavating Ltd. specializes in trenching, debris removal, pole setting, and cold weather excavation. We are looking to expand our team and continue to service the Comox Valley region and North Island to the highest standard. We provide a positive work environment, professional development opportunities, competitive compensation, and excellent benefits. Coast is part of the Hyland Group of Companies. Coast Hydro operates from 4552 Cumberland Road, Cumberland BC.

What we offer:

- Competitive wages, excellent benefits, and matching pension contributions.
- Full-time, year-round work with opportunity for growth.
- Opportunity to learn and gain experience on other pieces of equipment.
- A positive and reliable workplace.
- Opportunity to travel, and work in multiple locations throughout the region.
- Online training and certification.
- Boot & gear allowance.

Key Duties and Responsibilities:

- Operate and maintain a Hydrovac and various specialty tools.
- Work alongside labourers – 90% of your day is outside of the truck, boots on the ground.
- Work with clients to provide quality service based on specific job needs.
- Complete minor maintenance and checks on equipment.
- Ensure safety for all team members and property.
- Work as part of a team and follow direction from supervision.
- Leave the job site in better condition than when we got there. Clean, safe and job done.
- Haul hoses, PPE and tools to where the work is being done.
- Complete required paperwork for projects and jobs.
- Ability to be on rotational on-call.

Role Specifications:

- 2+ years' experience operating a Hydrovac required (preferred)
- Valid Class 1 or 3 driver's license and experience operating a manual transmission
- Willingness to work additional overtime shifts outside of regular schedule
- Clean and current driver's abstract
- Proficient in reading, writing and speaking English.
- CSTS-09 & OSSA Regional; BSO or Common Safety Orientation certification required
- Having First Aid, H2S Alive, Ground Disturbance, certification would be a significant asset
